Insurance Requirements

Overview

As a condition of all Stanford University mortgage loan programs, the University requires insurance on the property.

Both the conventional and restricted Residential Ground Leases (Lease) for all on and off-campus residential properties also requires insurance on the leasehold property. Insurance is required on the leasehold property regardless of the existence of any Stanford University mortgage loans.

Loan and Lease transactions cannot be completed until the required insurance is confirmed.

Stanford will monitor insurance coverage throughout the term of the loan or Lease. Borrowers or Lessees must notify Stanford if the insurance provider changes or if a lapse in coverage occurs. It is the responsibility of the borrower or Lessee to insure that Stanford is named correctly on all insurance policies.

Information regarding insurance and insurance providers is available from Faculty Staff Housing (FSH).
